San Francisco, CA 94102  
(415) 763-5050

September 22, 1999

Mr. Craig Campbell  
Jones-Campbell Co.  
P.O. Box 277788  
Sacramento, CA 95827

RE: Public Works Case #99-011  
Installation of Gym Lockers  
Jones-Campbell Company/Sequoia Union High School District

Dear Mr. Campbell:

This constitutes the determination of the Director of Industrial Relations regarding coverage of the above-referenced project under the California prevailing wage laws, and is made pursuant to Title 8, California Code of Regulations section 16001(a). Based upon my review of the documents submitted, an analysis of the relevant facts as presented, and information supplied in follow-up telephone conversations, I have determined that the on-site installation of lockers is a public work within the meaning of Labor Code section 1720(a).

In this case, the Sequoia Union High School District and Jones-Campbell Company have entered into a contract for the installation of lockers at Menlo-Atherton High School. The work includes removing the old lockers and installing new lockers. The installation includes on site assembly, which consists of bolting the lockers to existing concrete pads. Once the lockers are in place, they are permanently anchored to the walls.

Labor Code section 1720(a) defines public works to mean "Construction, alteration, demolition, or repair work done under contract and paid for in whole or in part out of public funds..."

In this case, the installation of the gym lockers involves construction done under contract and paid for with public funds for which prevailing wages must be paid.
